Start of new term – Wednesday 18th April

Thank you

We would like to say a massive thank you to all parents/carers who attended the last Babysdays workshop and who have attended this week to the parent consultations with your child's key person. Information from home is valued and we appreciate all the support and time you give to us to continue making your child's learning journey a huge success.

Special person day – only 1 parent stayed to spend time with their child and ended up making snowflakes with all the children which they absolutely loved. A big thank you to her.

Photographs

Most of the children had their photo taken and I must say they are beautiful. If you would like to purchase them, please hand in the money and envelope with your order by next Wednesday 28th so they can be sent off for printing before we break up.

Easter Workshop

Please try to come along and join your child at their Easter family fun day. The children love to spend time with you showing off their friends and much-loved preschool.

There will be Easter activities such as, Making Easter bonnets, Easter nests, cards, chick life cycles and smashing hard boiled eggs, (bring a gas mask 😊)

Morning sessions 8.30-10.30am

Afternoons 12-2pm

You do not have to stay for the whole 2 hours just pop in, have a drink and a little play.

Finally, we would like to wish you all a very happy and safe Easter and we hope you will enjoy the break.
